Nanded,

Hydrabad State,

24th November.

Dear Sir,

I beg to say that I saw in the papers that great preparations are being made to celebrate the happy termination of the great war.

Before I mention the object of this letter, I suppose it will not be out of place if I say that my father the late Nawab Mir Kamaluddin Ali Khan, Musahib to H.H. the Maharaja and grandson of the cousin of Tippu Sultam was held in great regard and esteem by all the British Residents.

Of the numerous practical examples that he had set to the public of his loyalty to the British Government and appreciation of the worthy British Officers, the last one was that at the time of the 1st anniversary meeting hald at Tumkur in August 1914, he made great personal efforts to make the meeting a great success.

Realising that the public had begun to entertain serious doubts regarding the ultimate success of the British arms, he thought that it was very necessary that he should first of all try to dispell the wrong notions and then try to get subscriptions from the public.

With this object in view he made a speech explaining the various blessings of the British Raj and subscribed a sum of Rs. 100/- according to his means on the condition that the said sum of money should be spent in celebrating the Victory of the British Arms.

This action had the effect of dispelling the mistaken notions of the public and enabled him to collect a handsome amount to the war fund. It was unfortunate that my father did not survive to see his prophesy realised. As the subscription was deposited with the Deputy Commissioner of Tumkur on the above condition, I request that you will get the said sum and spend it in the Victory Celebrations that are being arranged by you.
